Experience

Jr Frontend Engineer at ShunyEka Systems Private LTD – *April 2024 - present*
- Actively contributing as a Frontend Engineer since April, leveraging my experience as a Frontend Developer Intern to drive impactful UI enhancements for AutobotAI, ShunyEka Systems' latest product.
- Spearheaded the implementation of various frontend functionalities, elevating the user interface and overall user experience.
- Collaborating closely with the design team, translating conceptual ideas into responsive and feature-rich dark-themed UI designs.

Intern Frontend Developer at ShunyEka Systems Private LTD – *Aug 2023 to March 2024*
- I have been actively contributing as a Frontend Developer Intern since August, gaining valuable hands-on experience in web development.
- Key involvement in the development of AutobotAI, the latest product from ShunyEka Systems, focusing on the UI development aspects.
- Implemented various frontend functionalities, enhancing the user interface and overall user experience. Collaborated with the design team to translate concepts into a responsive and feature-rich dark-themed user interface.
